"We've come a long way, babe!"

notice everyone
around us
talking, listening,
learning
enjoying their own
special groups
entwining thoughts,
creating memories
moving forward
to personal victories
wading through a
sea of faces
gaining seniority
looking to those
in charge
and saying
we've come a long
way, babe.

Before the beginning,
We were living,
Oh, so far away from here,
And we called it home,
But didn't stay,
We knew that we could leave
one day ...

To Sue R. (Fr.) and Donna M. (Fr.) open campus was a new and different experience.

Neither rain, nor hail, nor sleet, nor snow could keep TL students from enjoying their classes.

Before the beginning,
 We were willing
 To lay aside who we had been,
 And take a chance
 To slip away,
 Or make it back
 To home one day ...

During the 1974-75 school year in the portables, most of the students' time was spent outdoors.

Peggy V. (Sr.) demonstrating the effectiveness of the portables' speech facilities.

Walking back and forth to classes from the portables to the high school was a big chore for TL students. Never again ...

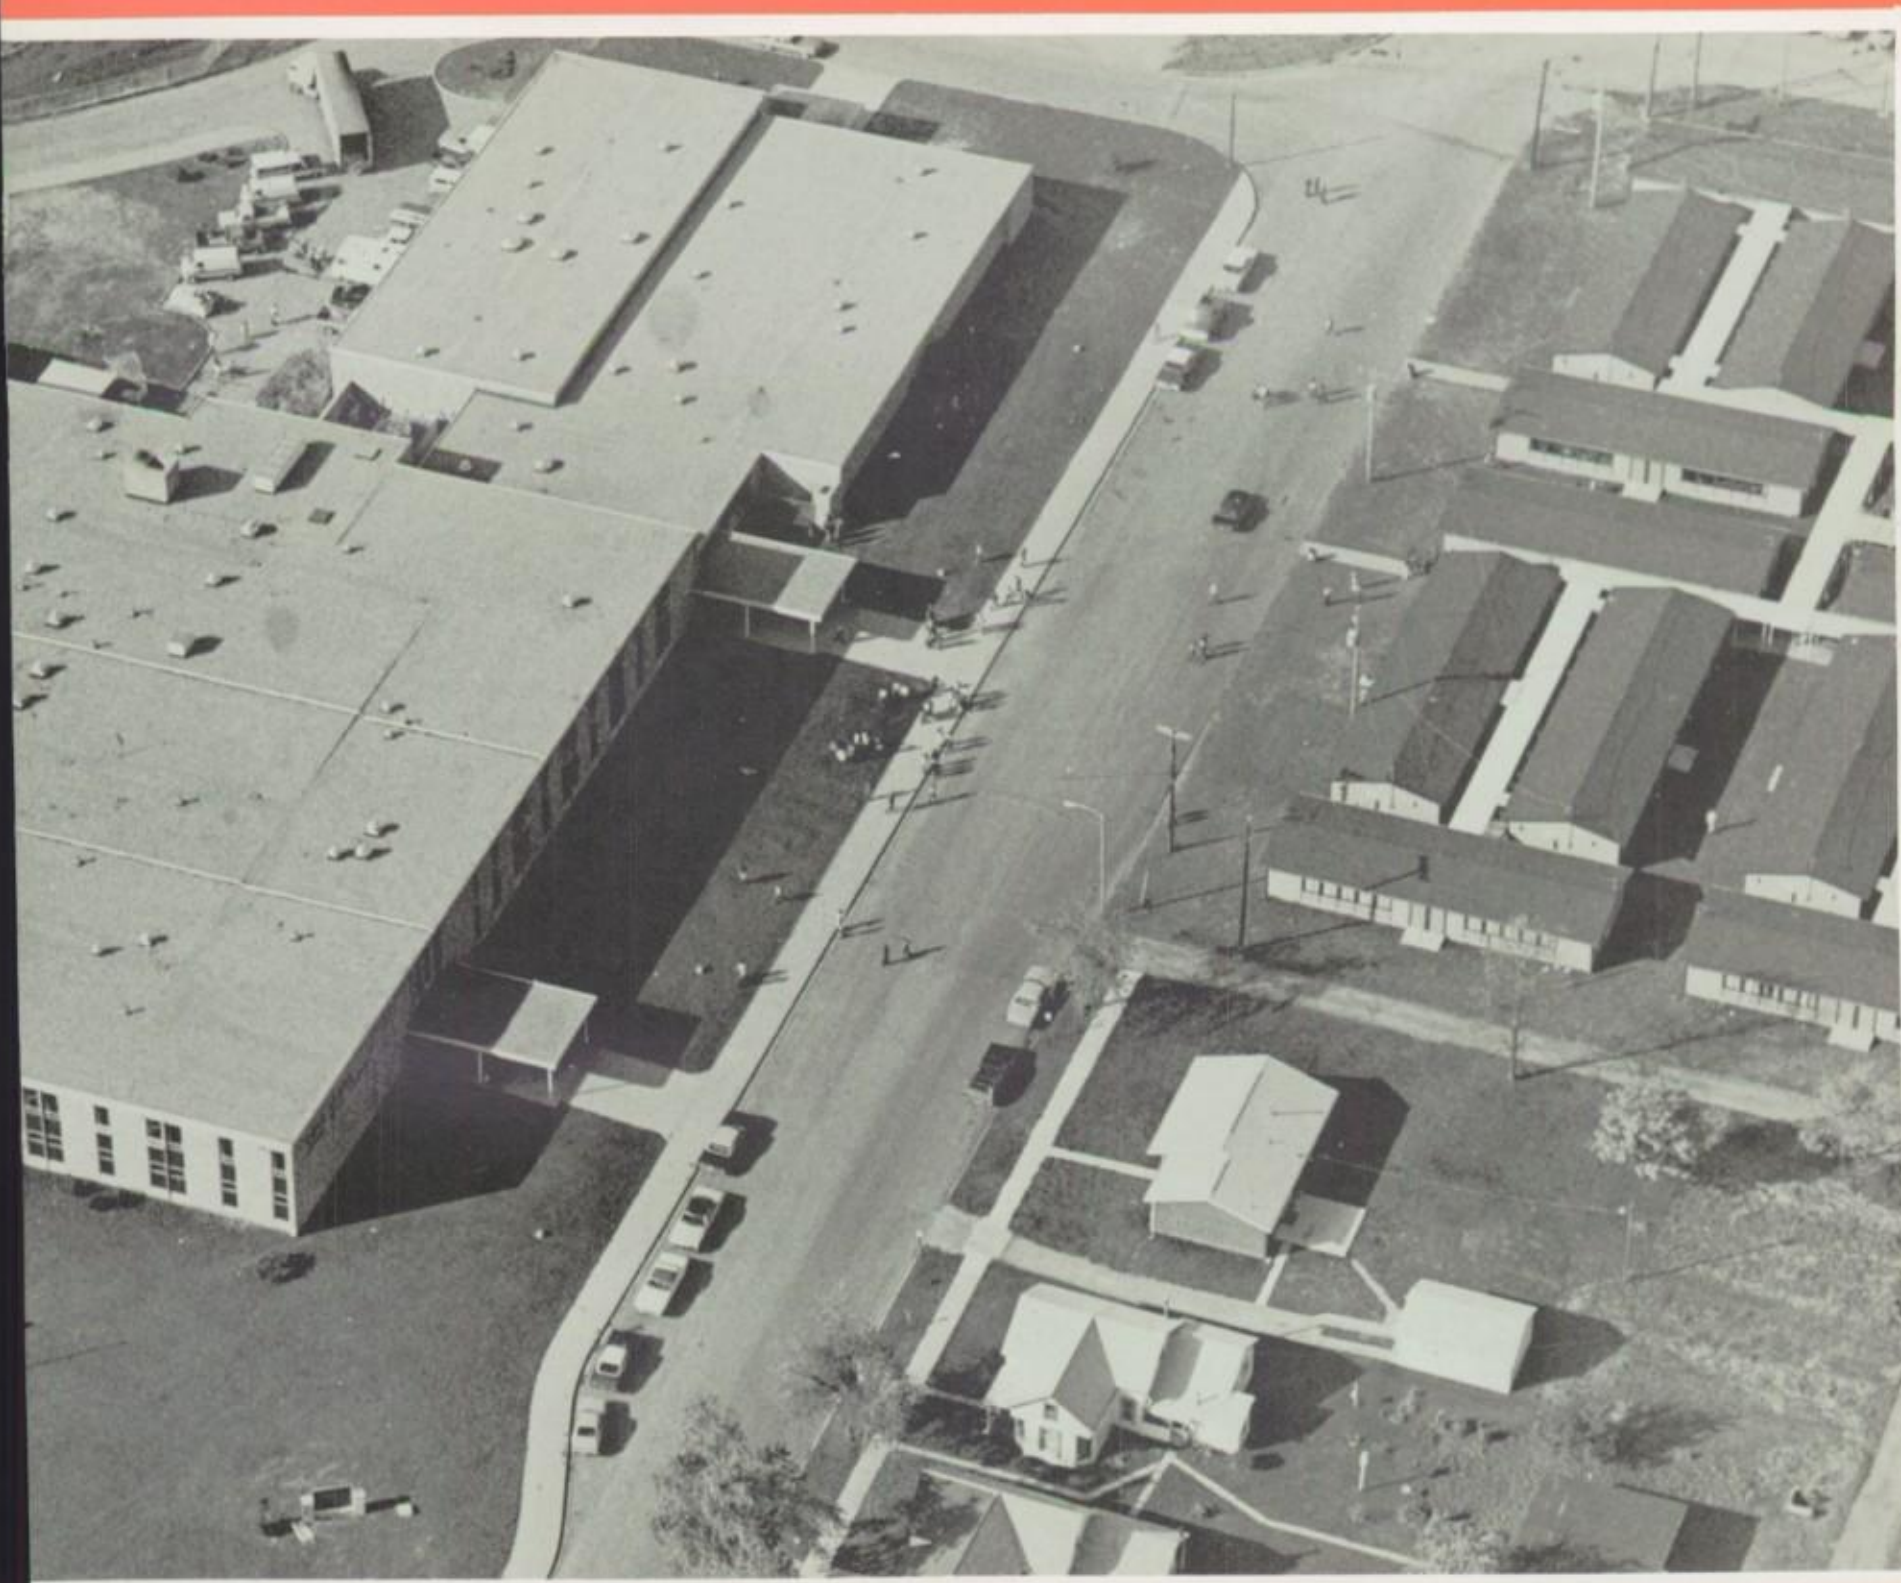

Ever since we came to be,
With the plan
We learned to see
We alone would guide
Our destiny
—Osmonds

On October 22, 1975 students of the Twin Lakes Portables picked their desks and other property and moved their bodies into a new surrounding, Twin Lakes High School. The whole day was spent moving furniture, books, and a lot of other items. The girls and boys worked so hard they deserved a few minutes rest as shown in the picture to the right.

Unloading a pick-up full of books can be enjoyable, as Darren C. (Fr.), Mike B. (Fr.), and Steve B. (Fr.) discover.

Linda H. (Jr.), Joy C. (Jr.), and Janis J. (Jr.) express different emotions at the thought of a strange, new high school.

Our TL students seem to enjoy learning so much, they even take time to stop for a few minutes of study.

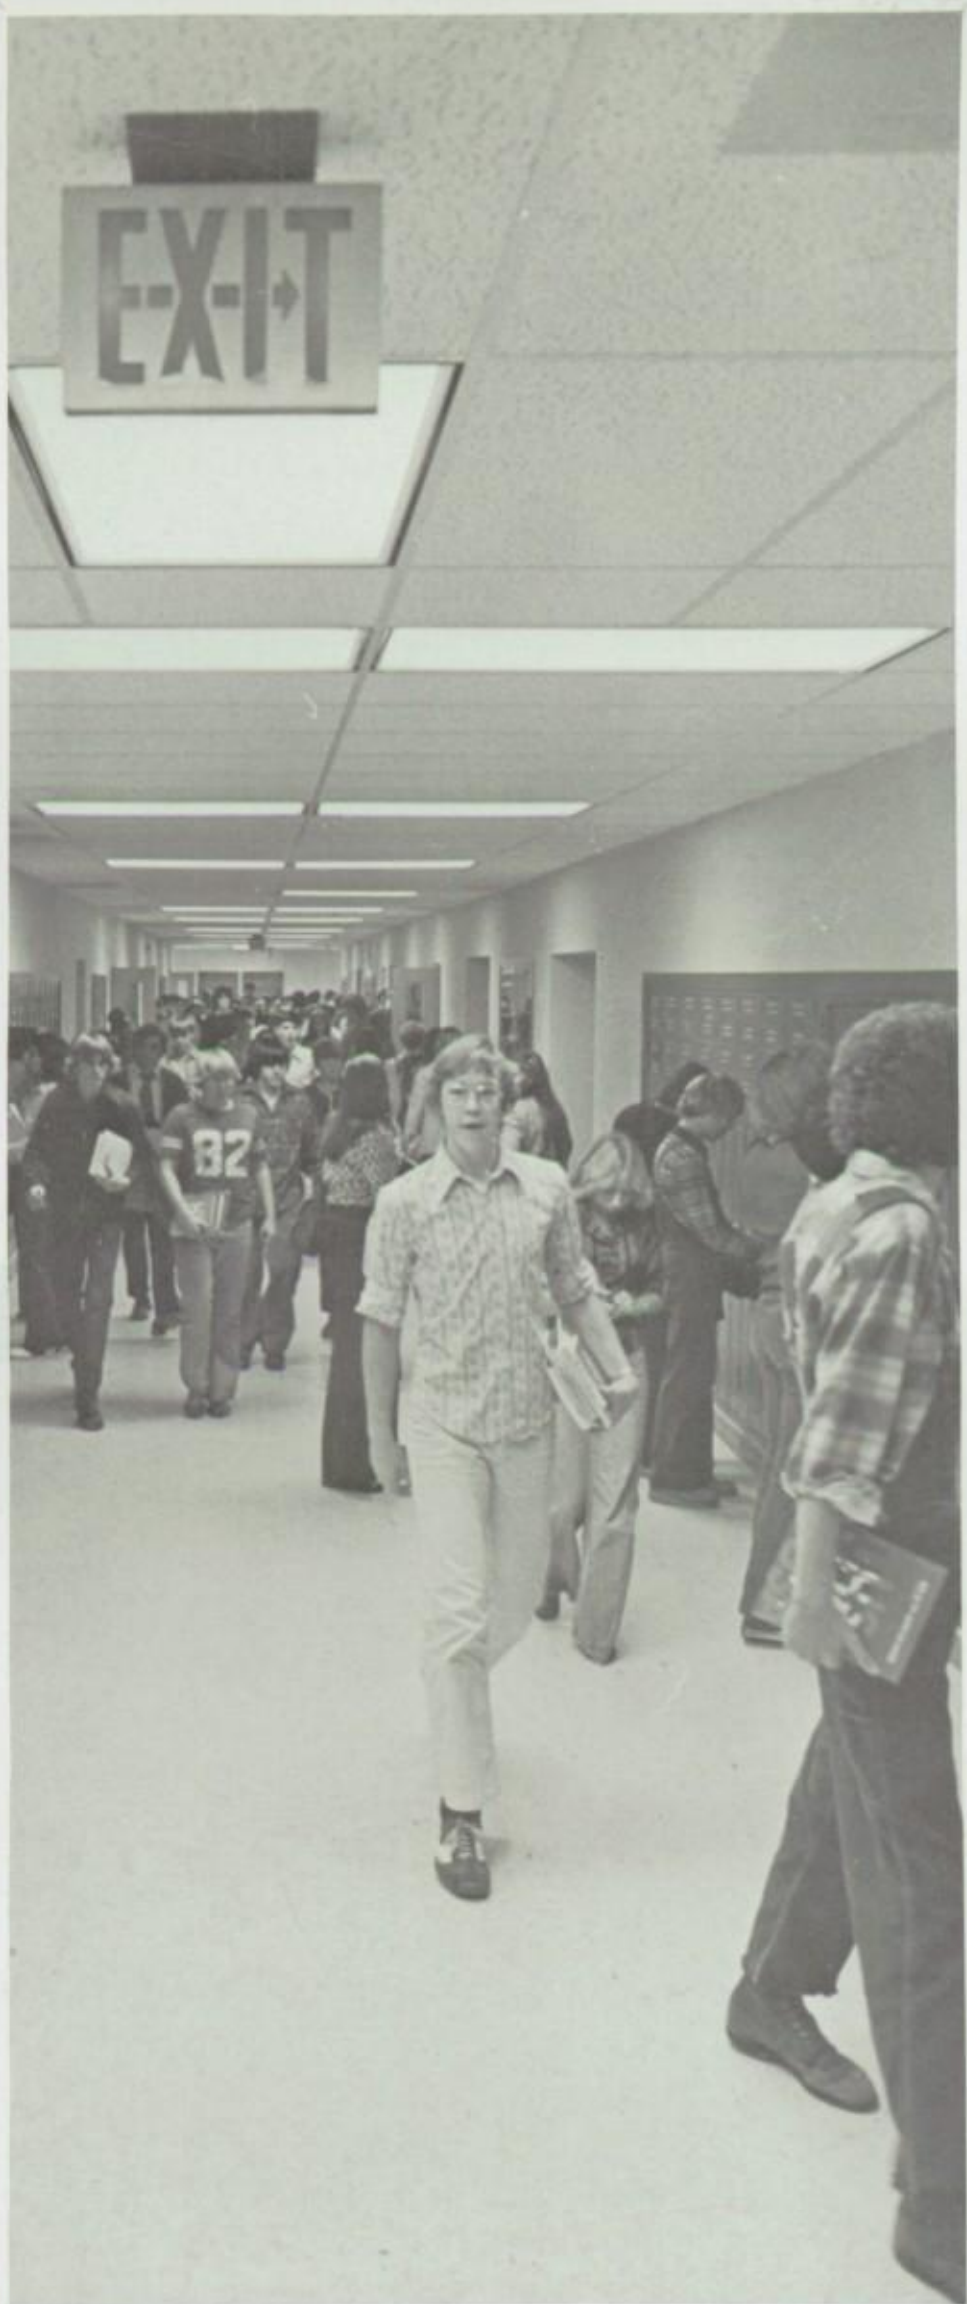

"Hm, that curb seems to be bigger than we thought!"

Betsy H. (Fr.) and Cindy M. (Fr.) feel it's a big treat to be students at the new Twin Lakes High School. Lunch is a big event at Twin Lakes. It's a time when students can get together for their daily gossip.

Students seem to always complain about how hard a week they've had at school, but just think of all the torture the school itself takes in a week. It gets its lockers shut, its doors slammed, its toilets flushed, its walls hit and its floors walked on. Students aren't the only ones who can hardly wait for the weekend. When Friday finally arrives at Twin Lakes High School and the dismissal bell rings the school itself may finally rest in peace.

Dedicated to you . . .

Our photographer, Jari Teravainen, is an exchange student from Finland. We were very lucky to get an exchange student at Twin Lakes who was experienced in photography. The staff has really appreciated him!

This is suppose to be serious!

Now this is the way it is.

Gregory going "quackers"!!

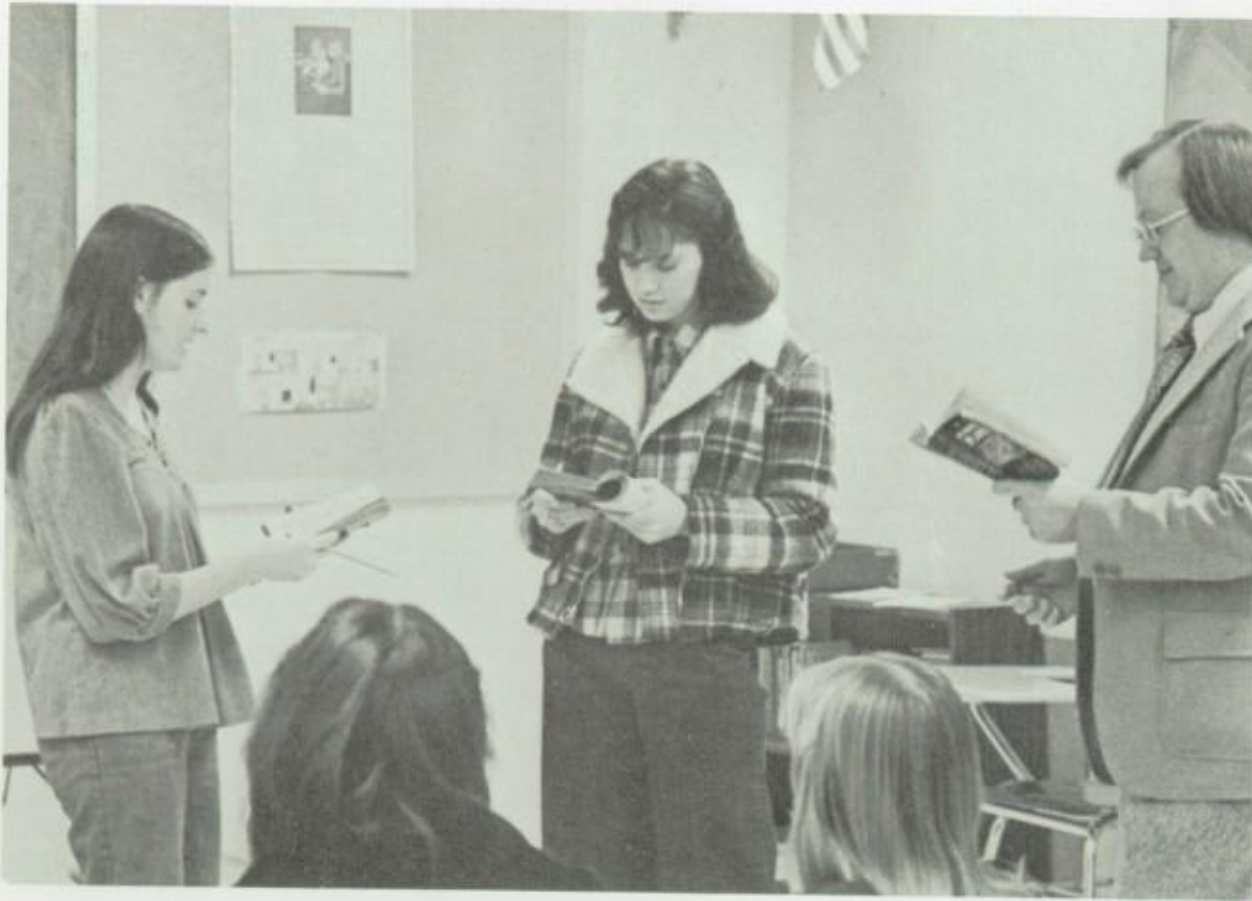

Our editor gives a helping hand.

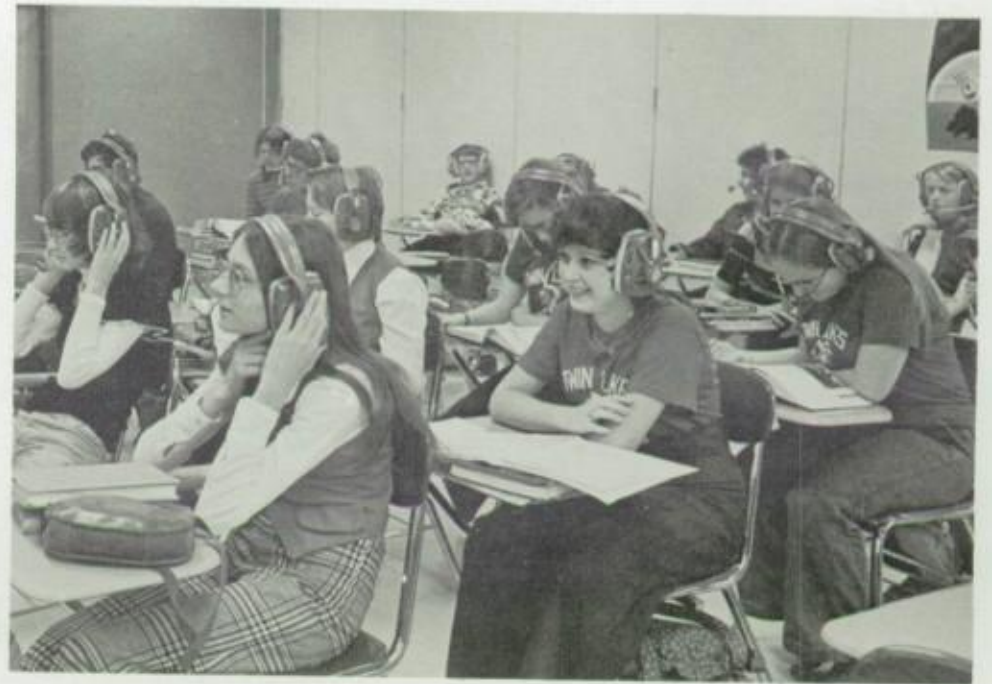

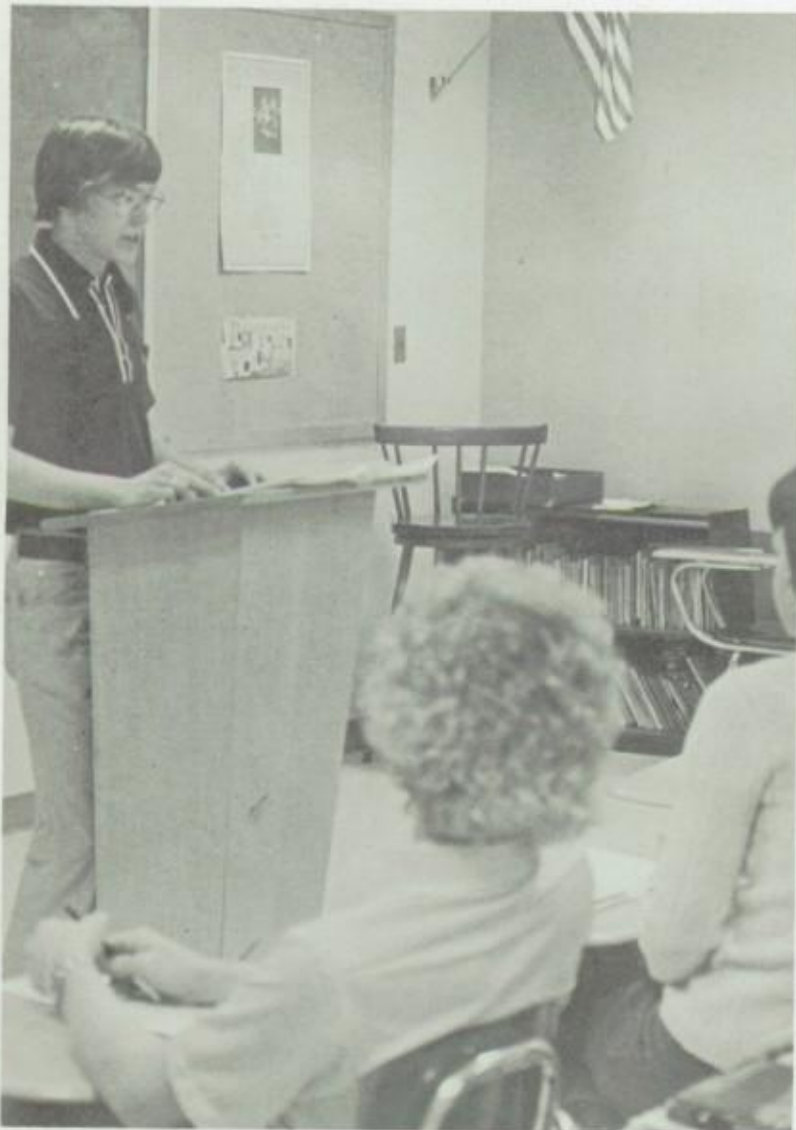

Michelle R. (Sr.), a new staff member on the Tiogan, has our faithful leader, Mrs. McLaughlin, teaching her the tricks of the trade.

Communications

Students literally get into the act in DRAMA CLASS. Each day they act out plays in their classroom theater. The students learn by experiencing comedy and melodrama.

Foreign Language is being taught at Twin Lakes with the best facilities. The new language lab develops fluency in the native language. Students can now listen to taped French and Spanish assignments.

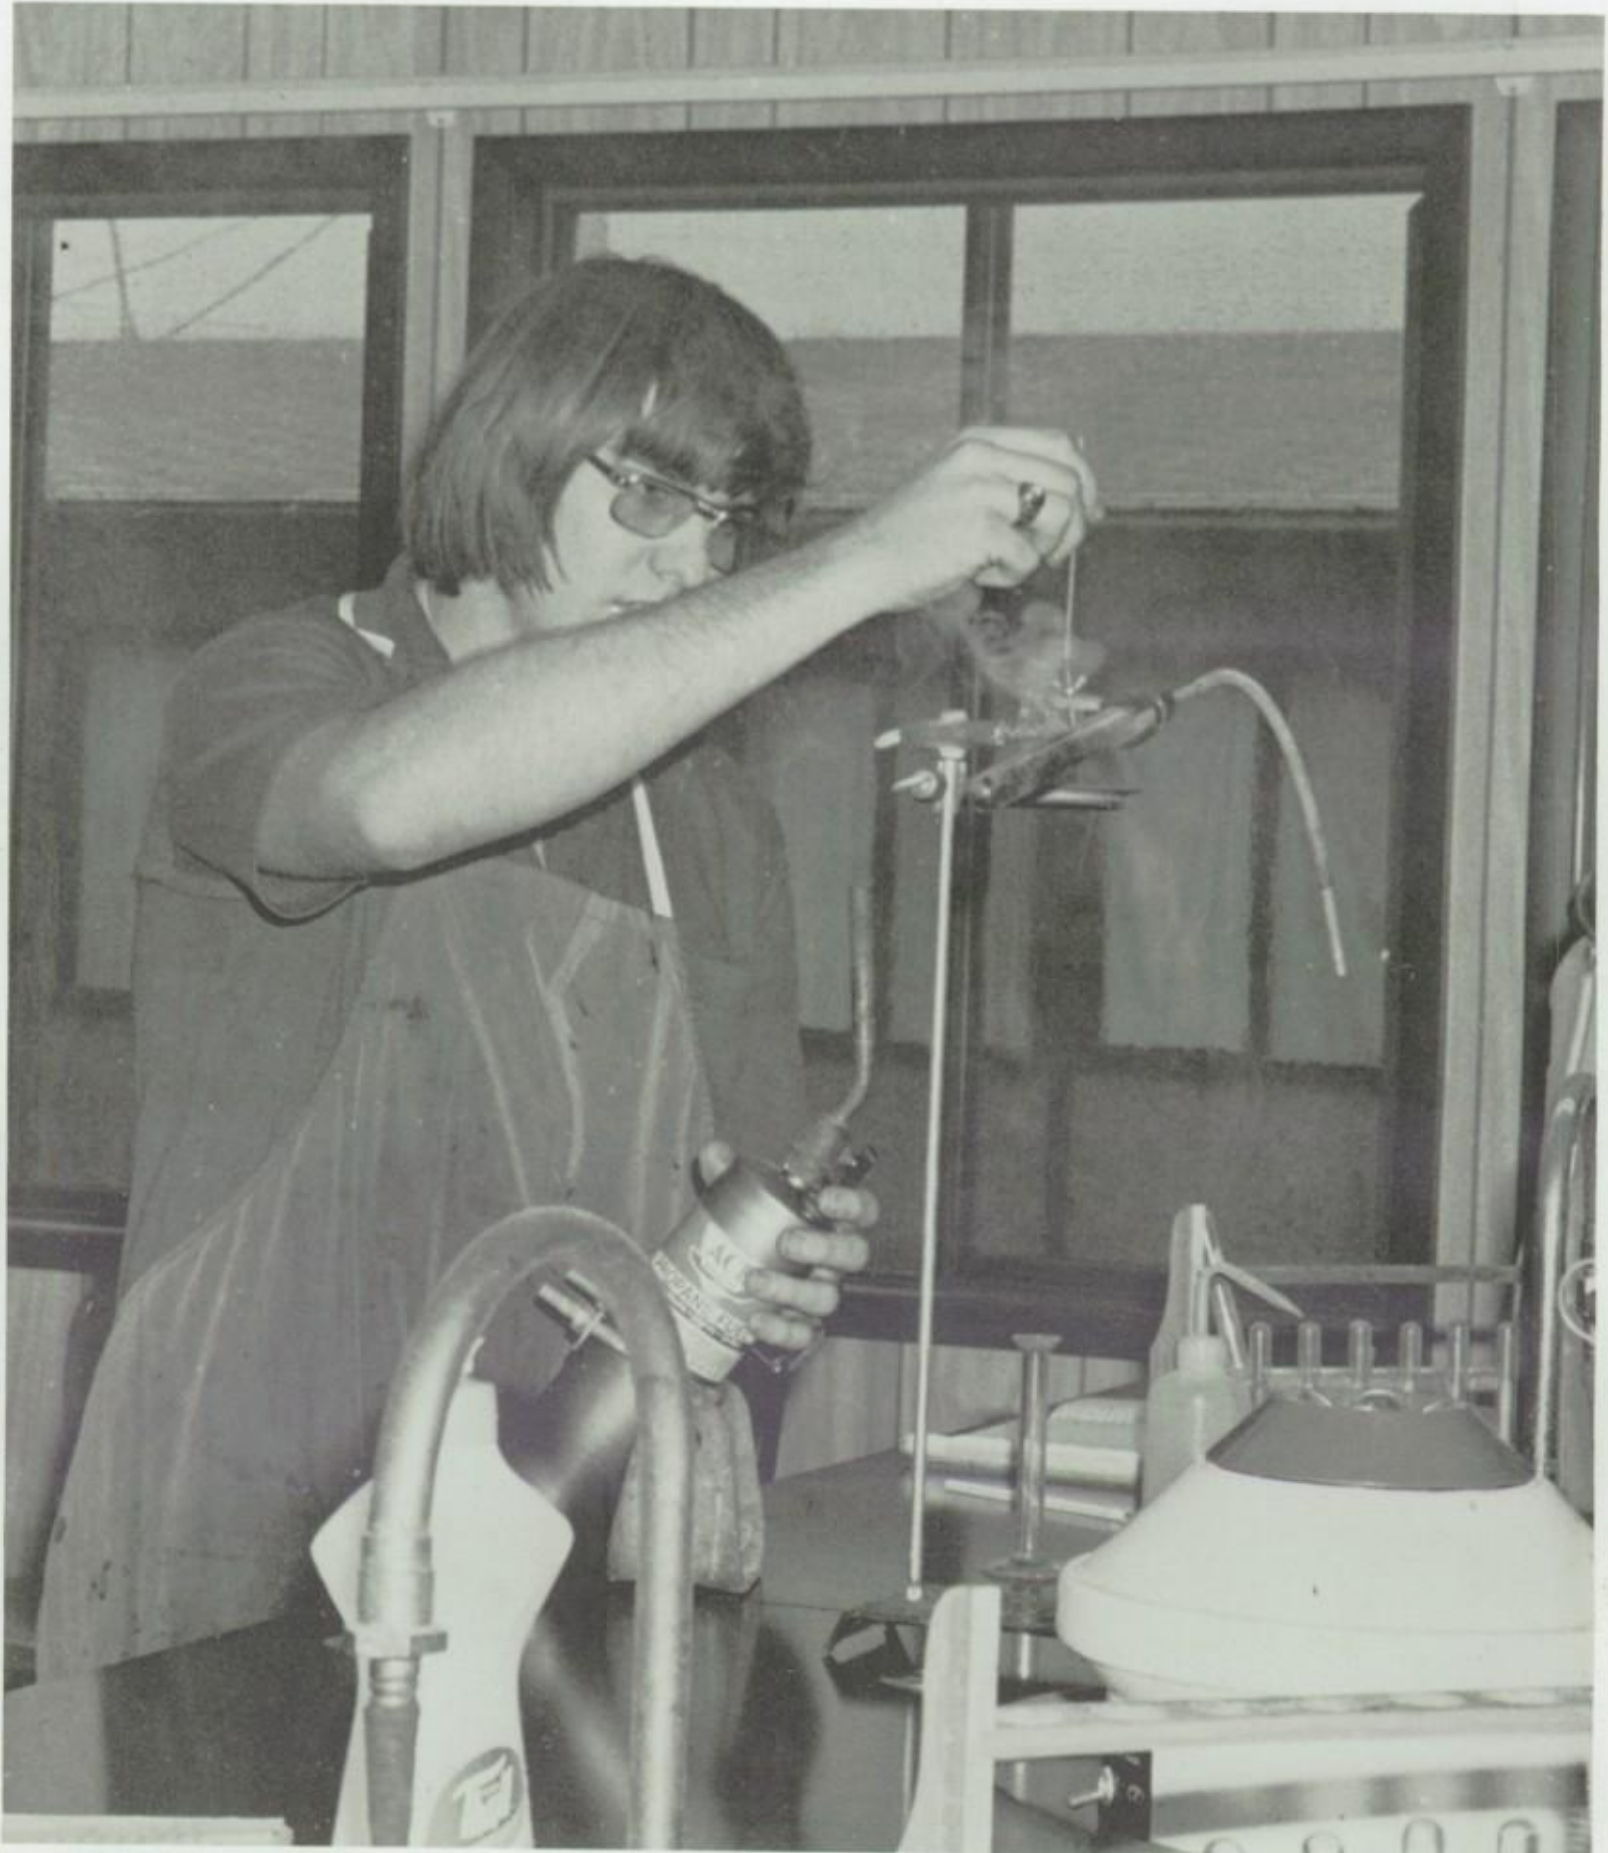

The school paper is produced by the "Tomahawkers." Each month the Tomahawk editors are rotated so each student will carry different responsibilities. The Tomahawkers are: Dave Brechbiel (Humor), Don Ingle (Reviews), Perry Powers (Boys' Sports), Adele Bowen, Mindy Guy, Becky Coble (Pictures), Cheri Gordon, Carol Wirth (Girls' Sports), Tonda Peek, and not pictured is Mary Beth Jachim (Art). The advisor for Tomahawk is Miss Long.

Hello down there!

I'd Like To Teach ...

Mr. Powlen is the Music Director at Twin Lakes. His classes consist of Music Theory and Music Appreciation, 9th and 10th Grade Chorus which is classified as a training group, also 11th and 12th Grade Chorus, and the Choir which are classified as performing groups.

The 9th Grade Chorus is pictured at the right, and the Sophomore Chorus is pictured below. Each group consists of about 50 students.

The World to Sing

The 11th and 12th Grade Chorus has been working hard this year on its concert performance.

The Choir, a newly formed group, sang at the Thanksgiving Convocation.

Hand Made Beauty

The hand is quicker than the eye!

Mr. Leffler's classes consist of art and crafts where the students show individuality and creativeness.

The Six M's to Becoming

Girls in first year Home Ec study interpersonal relationships, and they are taught how to be conservative food buyers. The second year of Home Ec is spent learning the arts of cooking and sewing. Third year Home Ec has been designed to teach Home Management and Family Living.

1st year—Money

2nd year—Munching

3rd year—Management

a Successful Homemaker

4th year—Marriage

Students in the fourth year of Home Ec are being prepared for family living. The Home Ec class performs a mock wedding, and they also study child development.

5th Year Home Ec is a survey course and is designed for the guys as well as the gals. 6th Year Home Ec is advanced clothing. This is a class basically for those with sewing experience.

6th year—Mending

5th year—Mixture

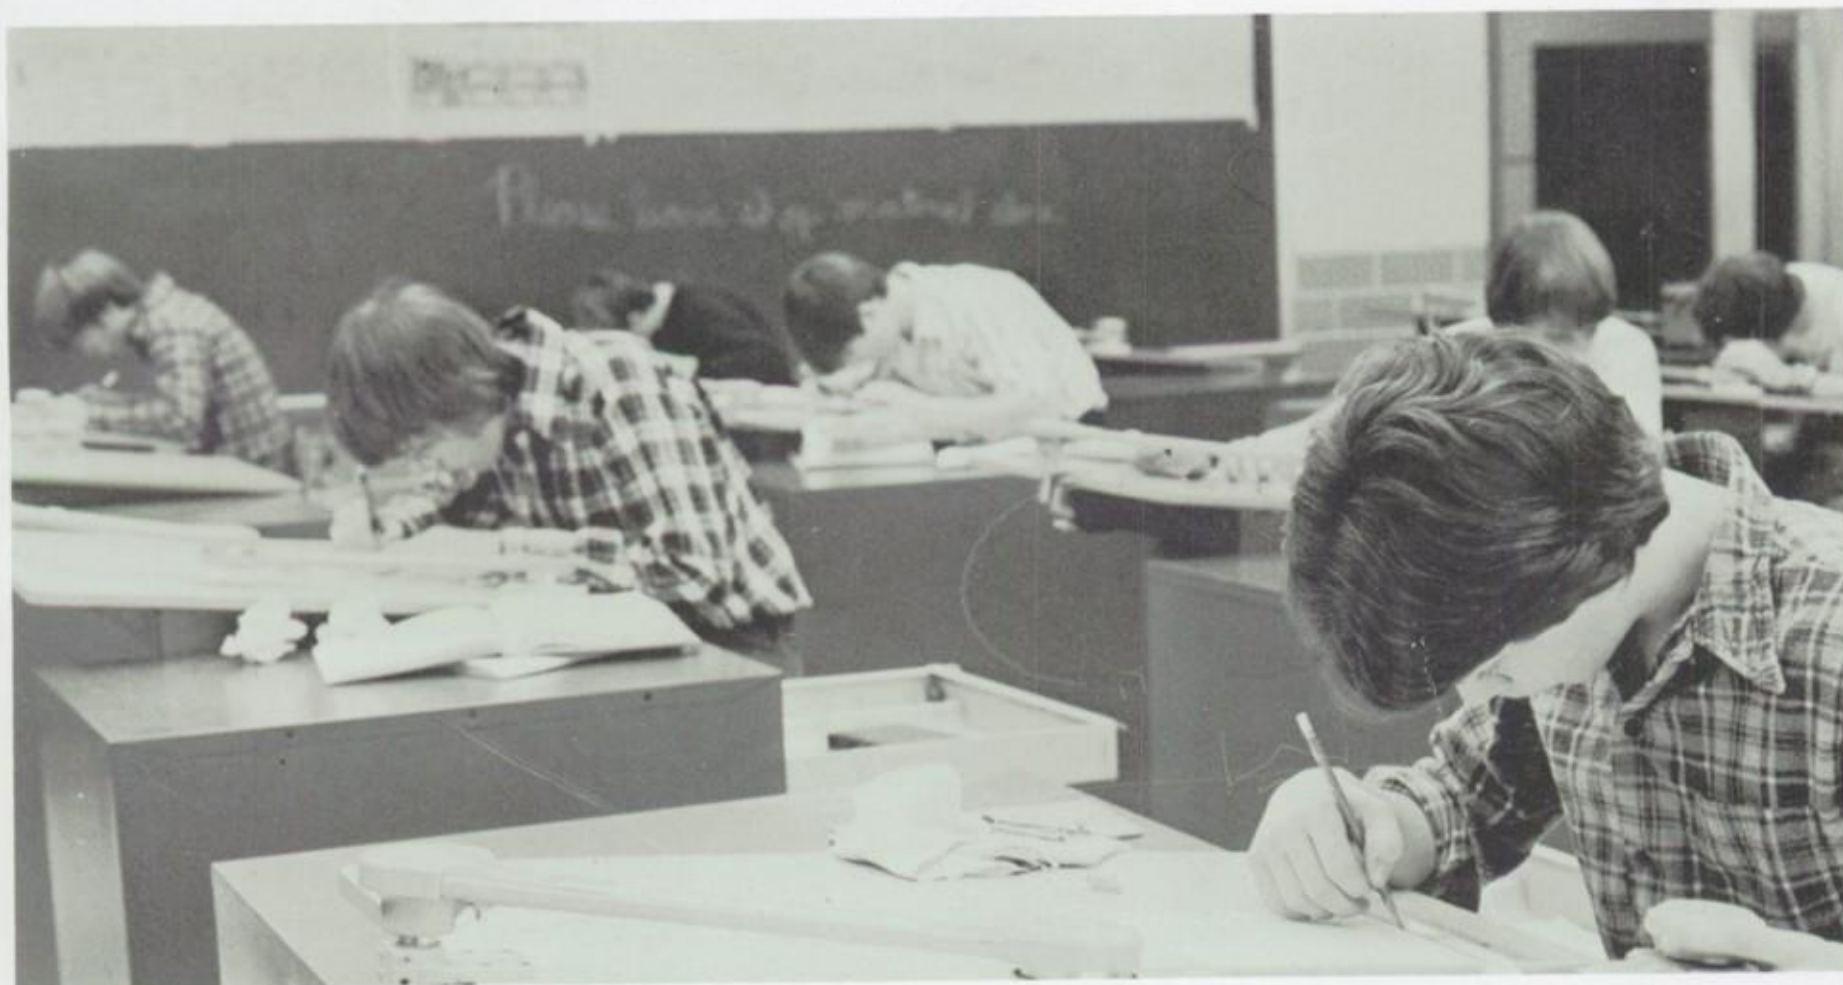

Industrial Arts

Students of Electronics study the fields of wiring and electricity. They have certain stations to carry out their assignments. Students in Mechanical Drawing learn to draw still objects, study, and plan homes.

Students in Wood Shop use a variety of hand and power tools to accomplish their projects.

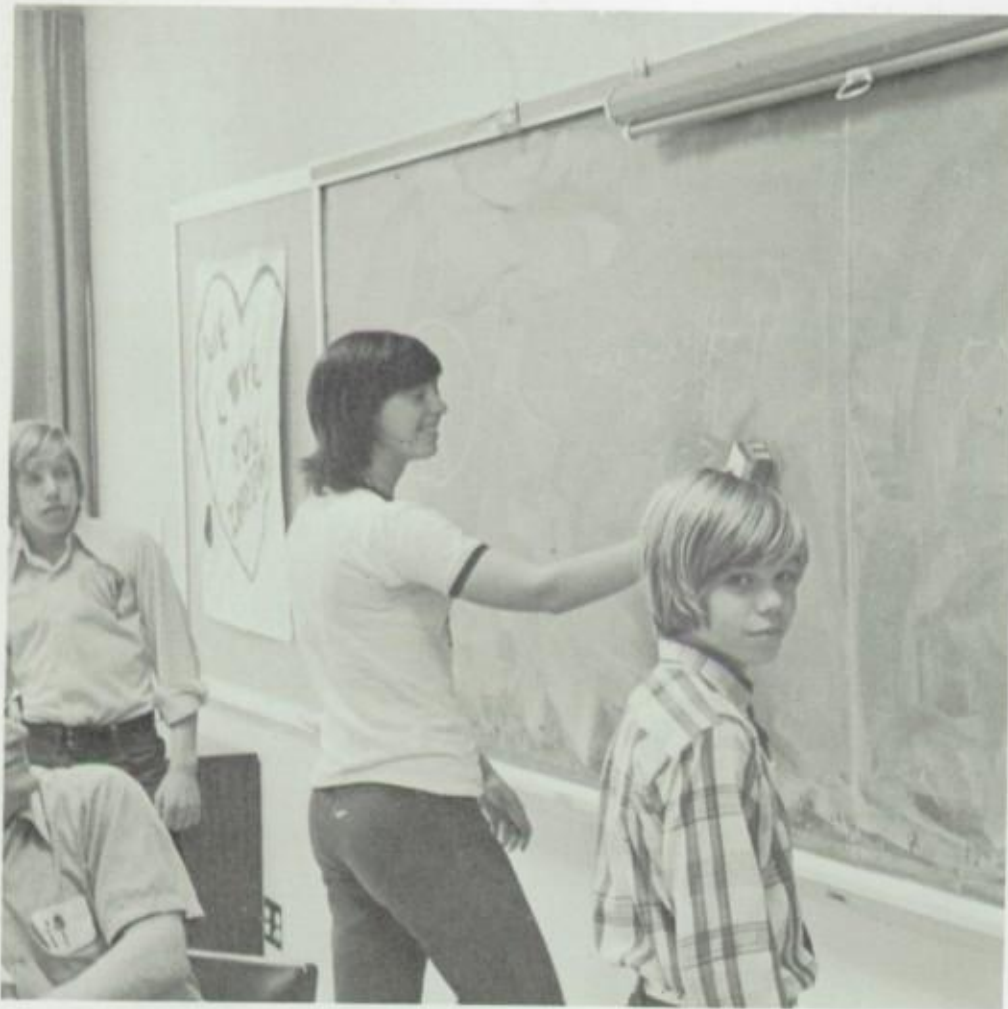

Mentally and

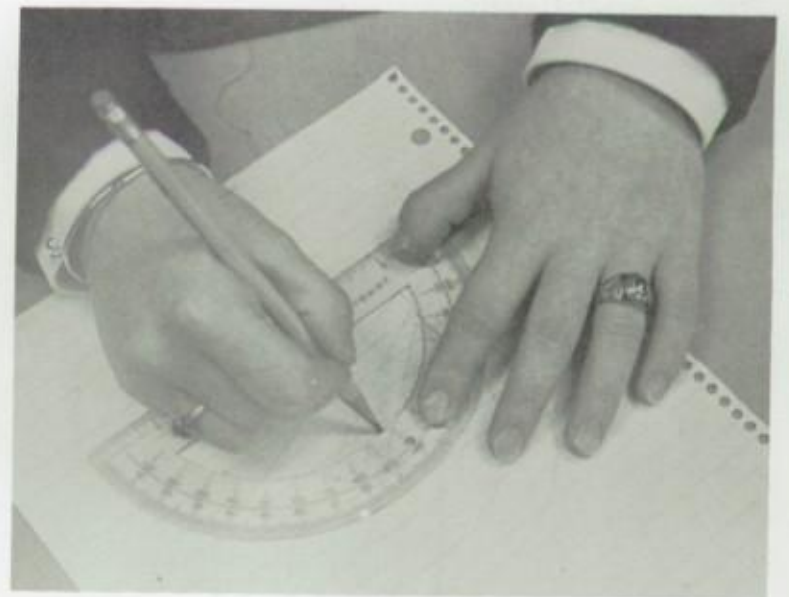

Typing is not just learning the keys. There's much more to it!

Students in Accounting keep records of business about money matters. Twice a year for a month students keep records as if they were working for a real business. These students are finding that calculators come in handy.

Mathematicians at work

The working hands of a genius

Physically Fit

Twinkle toes

Students in P.E. enjoy such activities as water ballet, gymnastics, track, swimming, bowling, test

Miss Lawrence, a P.E. student teacher from Ball State, gets splashed by TL students. Miss Lawrence student taught for Mrs. Hoff for three months grading our students while she was being graded for her teaching class at Ball State.

On The Job Training

The Pre-Vocational Education program is similar to ICT. The students study half a day and work the other half. Jobs are found for students in their junior and senior years.

The freshmen and sophomores in PVE take part in the book bindery set up at the Junior High School: putting on new covers on old school books.

Students in their senior year are able to take Health Careers and Exploratory Teaching. Exploratory Teaching is a voluntary job where students receive credits for their work. These students are required to keep a daily journal of what they've done at the various schools. Health Careers is also an On-the-job training course. These students study in class one semester and work in the field the second semester. Health Career students might work in the hospital, a dental office, or a pharmacy.

Dave Thompson and Jewel Mullens are two of the forty students in the Industrial Cooperative Training Program. Seniors in ICT study half the day and work the other half. Dave works as an apprentice of a veterinarian in the Monticello area and Jewel works on *The Reminder*, an area newspaper. We are very proud to have such ambitious students at Twin Lakes High School.

Their Fearless Leader

THE GOLDEN THROATS of the 1975-76 school year performed for everything from the Rotary Conventions to church services. Their compliment consists of 10 boys, 10 girls, and their accompanist, Lorene Davis.

The **GOLDEN THROATS** represent the 180 students registered in vocal music here at Twin Lakes. They began 20 years ago when 8 or 10 Twin Lakes students were selected to represent our school and sing at the GMBA-Kiwinas Christmas Banquet. Twenty years later, the Golden Throats are a fine singing group, and still going strong. They perform for 25 or 30 engagements a year, usually outside the school.

"The Golden Throats are not singing acrobats," said Mr. Powlen, "but rather are a singing group for all types of engagements."

The Twin Lakes STUDENT COUNCIL had a very active year. They accomplished major policy changes, monthly dances and convocations, and supervision of "The Big Move" from the portables into the high school.

In the fall, the Student Council planned the Homecoming Parade, the election of class princesses and the Homecoming Queen, and the Homecoming Game's half-time show. They also sponsored the traditional Homecoming Dance. The highlight for the Student Council was the adoption of the Student Attendance Policy, which had taken 2 years to compile and process.

The Student Council also put the Monthly Dance Policy into action. Each month, a different club would sponsor a dance, with a little help from their friends (the Student Council). A special dance was held in April, "Dance For Those who Can't," to raise money for the Muscular Dystrophy Society.

The purpose of the Student Council is to serve as a Student Government, a club coordinator, and as a link between the faculty and the student body.

Graduation!

At left is Kris Klink, President of the Senior Class, measuring Steve Brock's head for graduation cap.

In preparation for May 23, 1976, the Seniors have chosen red, white, and blue for their colors. The class motto is:

We are the future,
looking out on the past.
We are the present,
making old things last.
We are tomorrow,
thinking of yesterday.
We are today,
doing things our own way.

Mark Lindborg presenting Kris Klink with the Senior Key.

Below is the graduating class of 1975. The class officers were: President—Mark Lindborg, V.P.—Eric Lilly, Sec.—Lisa Olson, Treas.—Amy Yauch.

The class colors were Cornflower-Blue and Burgundy. The class flower was a Blue-tipped carnation.

The class of 1975 left Twin Lakes with this motto, "For though we may be parted there is still a light that shines on us. Shine until tomorrow. Let it be."

“Midnight at the Oasis”

The King and Queen of the 1975 Prom were Bruce Juntgen and Becky Chapman. Their court consisted of: first runners up—Linda Banker and Steve Squires, second runners up—Pam Murray and Jeff Stover. The crown bearers were Jody Doyle and John Headdy.

"The Reflections" provided the music and made it a night to remember, with "Midnight at the Oasis" for their closing number.

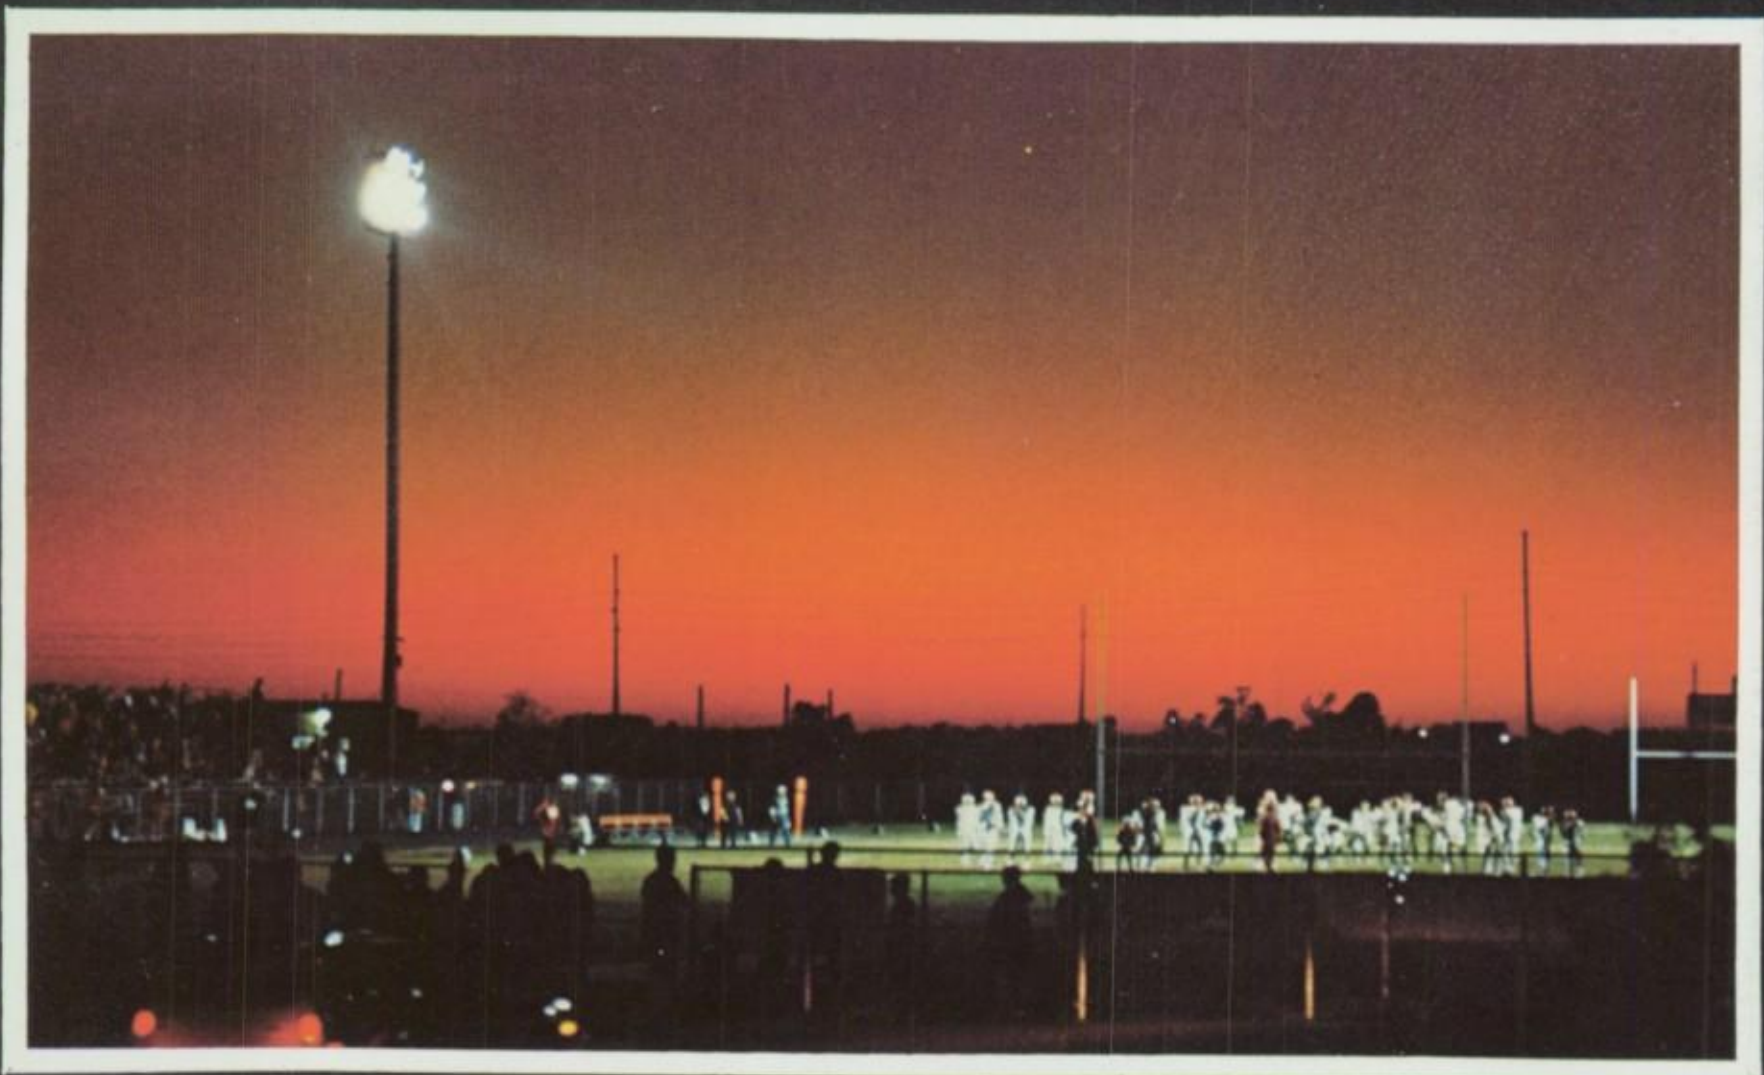

Homecoming

A New Year

ART BY HUDSON

These are the days of my past,
the times I thought would last.
Each one marked in its special way,
signifying a momentous day.

On my Calendar I see
rows of scribbled-out memories.

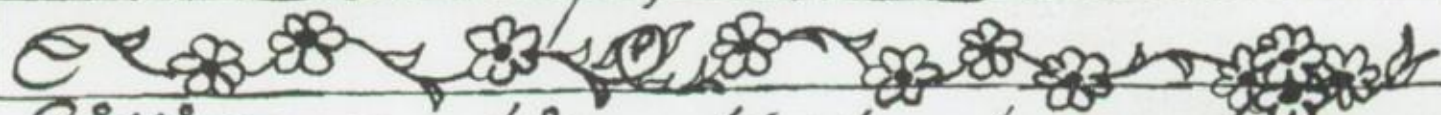

MEMORIES

It's hard to believe another
year has gone.

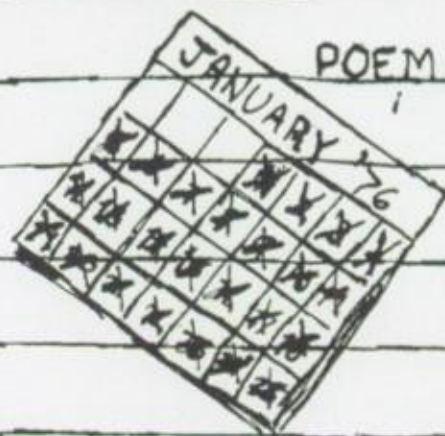

Did I remember to get
everything done?

One more year, sacked into my soul
How many more will I be able to hold
Lord, just see me through one more year,
So in 365 days, I'll still be here.

Sitting, marking off the days of my past,
The ones I was sure would last.

FROM THE PRINCIPAL'S DESK

A year and one half ago, we established a goal. The destructive tornado left us without our high school. It was resolved that with extreme cooperation, patience and understanding that we would endure this period of time and construction.

On October 22, 1975, D-Day arrived and became reality. The goal had been achieved, but not without a sincere degree of hard work by staff, faculty, and students. It is indeed refreshing to know and live with such outstanding people.

I am very proud of the many accomplishments and proud to be a part of Twin Lakes High School and our school community.

And Saying We've

*Starting with those first
brave people who built a
colony out of the American
wilderness...*

*To the war that won
us our independence and
a Nation...*

Come A Long Way, Babe

To the war which tore
the nation in half, and
the Westward Movement
that followed. . .

To the peace we enjoy
now. "Yeah We've Come
A Long, Long Way, Babe!"

Notice everyone around us ...

Talking,
listening,
learning ...

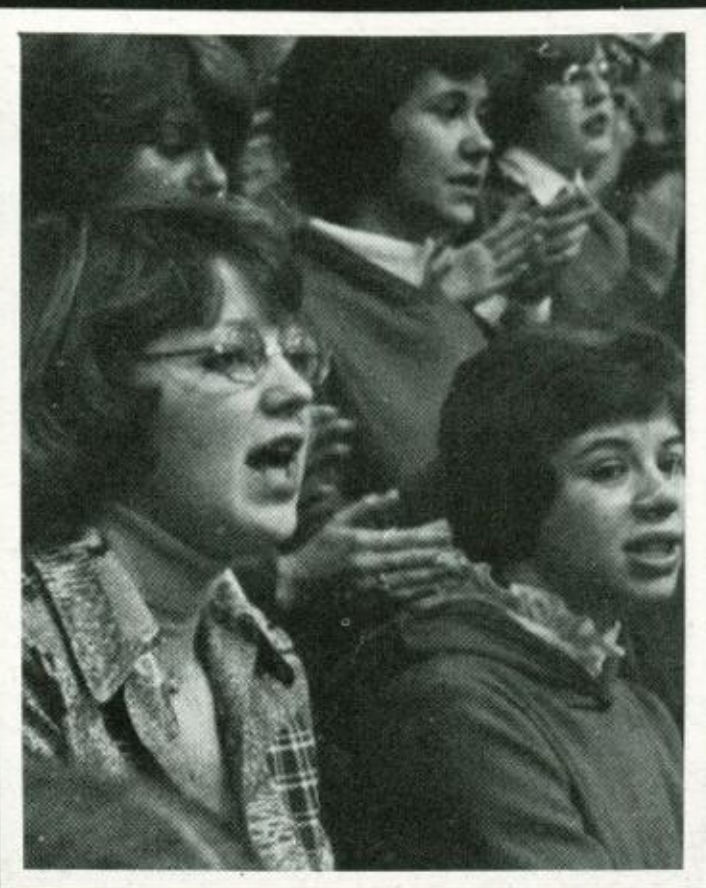

Entwining thoughts, creating memories ...

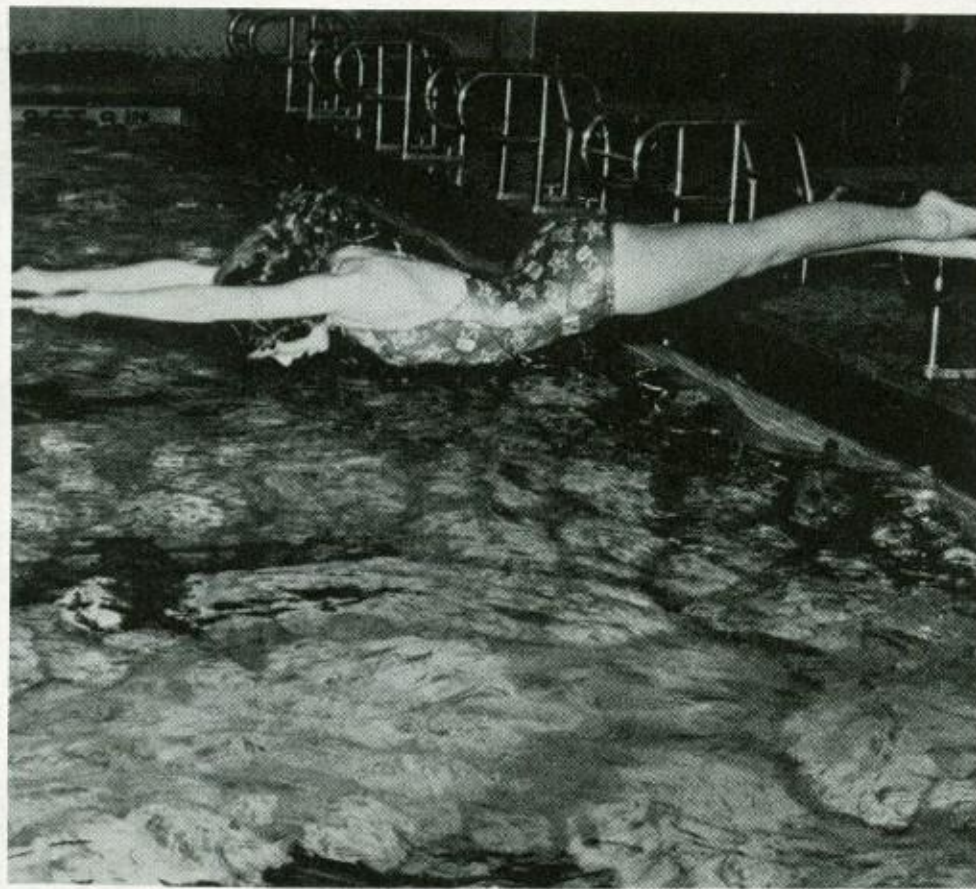

Gaining
senority ...

Looking to
those in charge ...

Enjoying their own special groups ...

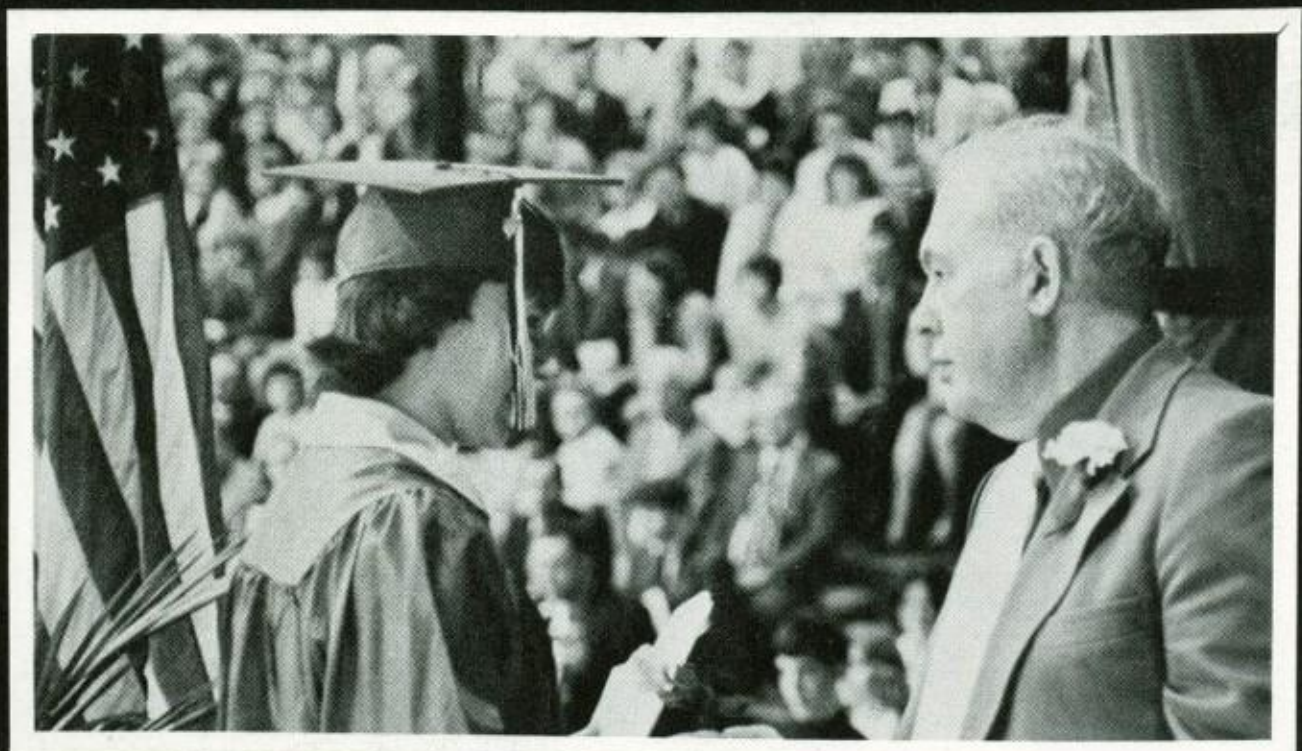

Wading through a sea of faces ...

Moving forward
to personal victories ...

As students of Twin Lakes High School we've borne many uncomfortable conditions. However we have gained much strength in the rebuilding of our town and school and much momentum in getting our minds back to normal. 1976, being the Bicentennial year, the yearbook staff believes we can say "We've Come Along Way, Babe!!"

And saying we've come a long way, babe.

Signing of the Yearbook

Twin Lakes salutes two totally dedicated people as they retire in May, 1976.

Hats Off to Teddy ... She Stole Our Hearts

C'est un professeur, n'est-ce pas? L'institutrice du crayon rouge

Mrs. Thelma Gamble, affectionately known as "Teddy" by her cohorts and friends, has been teaching English in the Monticello school system for 15 years. Mrs. Gamble graduated from DePauw University, Greencastle, Indiana, with a Comprehensive Language Degree. She taught in the junior high school from 1962 to 1968 where she was also the Junior High Speech Coach. Since 1968, Mrs. Gamble has taught Senior English at Twin Lakes and has served as the Ninth Grade Speech Coach. She holds the National Forensic League Ruby as a result of the accomplishments of her freshmen. Mrs. Gamble has also taught Third and Fourth Year French since 1974.

"Today, students, we will study adjectives. Adjectives are used effectively in painting word pictures as in the sentence: Mrs. Gamble is vivacious, warm-hearted, good-natured, effervescent, mischievous, dynamic, understanding, sympathetic, compassionate, feisty, straight-forward, unpretentious, dedicated, genuine, honest, and sincere."

Now that Mrs. G. is retiring, who will volunteer to make the coffee every day? Who will volunteer to be at school by seven a.m. every morning to open the Teachers' Lounge?

The library has grown by leaps and bounds via Mrs. Miller. In fact, since 1964, she has been responsible for the addition of 12,000 volumes. That's right folks, twelve-thousand!

And to Wilma Miller She Enriched Our Lives!

Another talent! Mrs. Miller's bulletin boards are one more example of how she enriches our lives.

Teachers look forward every year to those big, juicy apples—a Nat'l Education Week treat from FTA.

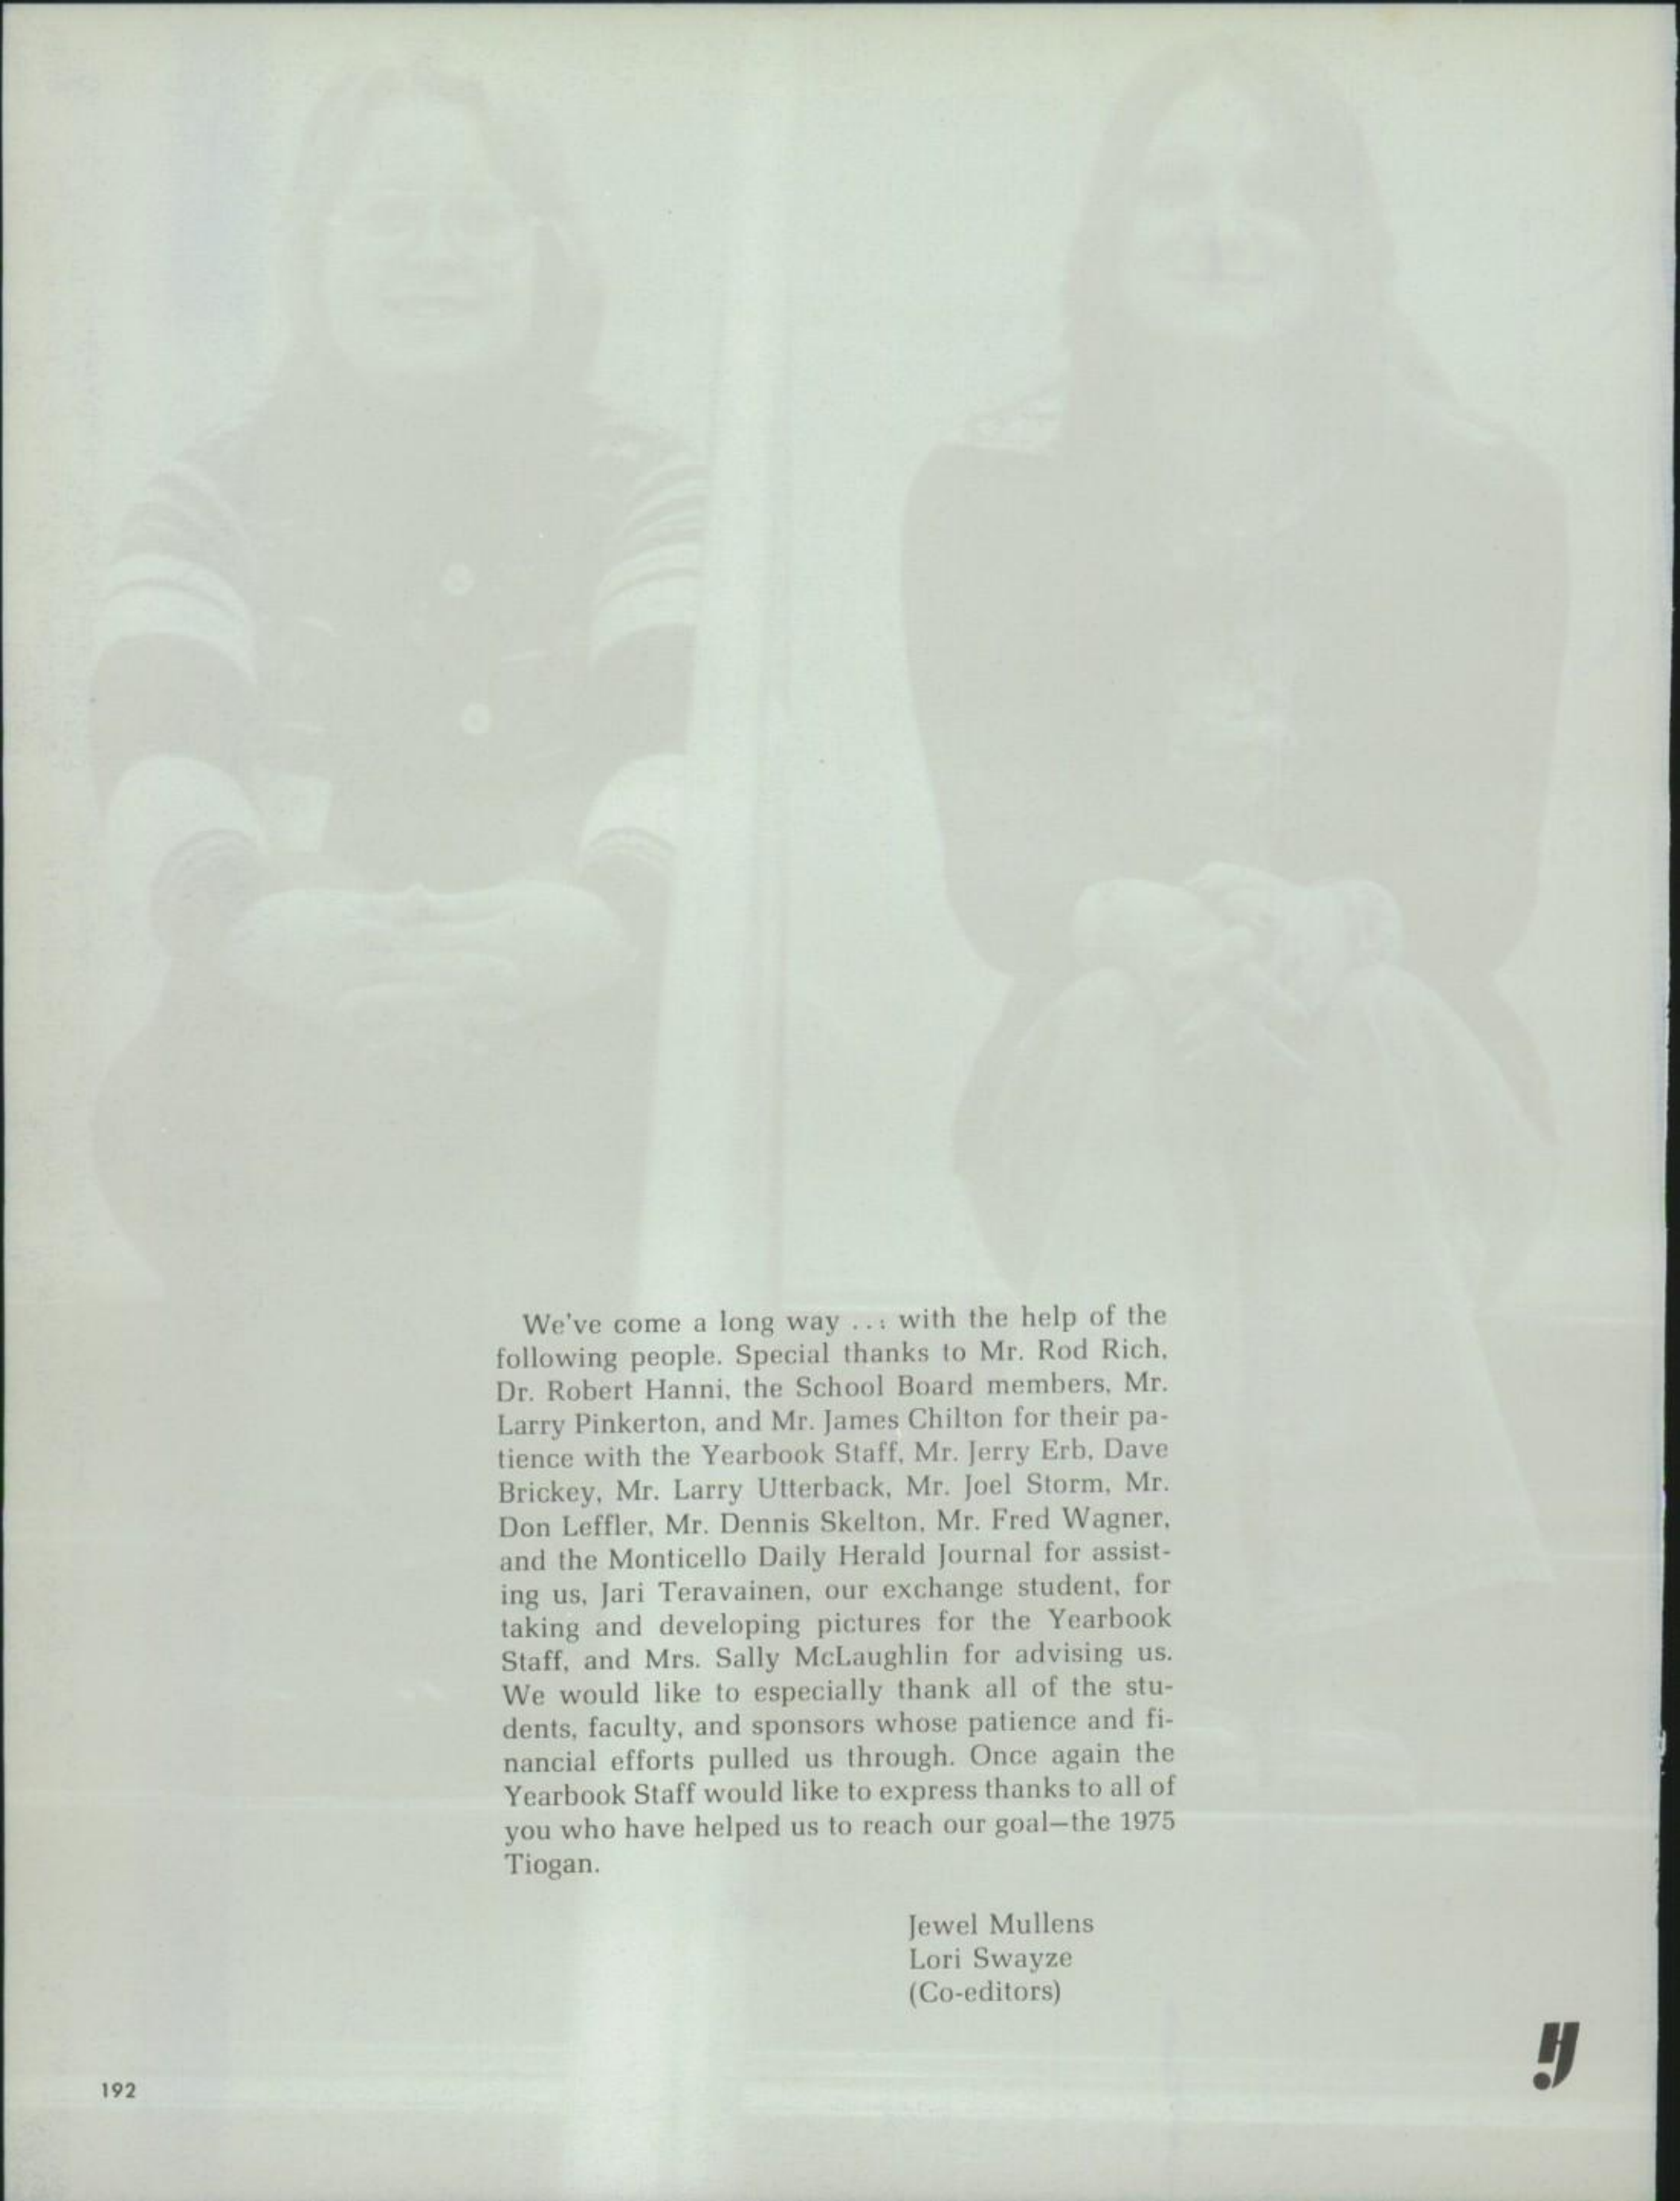

Also retiring this year is Mrs. Wilhelmina Miller, the librarian of Twin Lakes since 1964. Mrs. Miller's thirty-five year teaching career has had many facets. Graduating from the University of Illinois, Urbana, Mrs. Miller holds degrees in social studies, physical education, and English. In 1952 she received a degree in Library Sciences. Mrs. Miller has taught at Ida-ville High School, Royal Center High School, Monon High School, Francesville High School, and from 1958 until 1963 she taught social studies in the Monticello school system.

The activities of the Future Teachers of America have been directed by Mrs. Miller since 1970. The FTA has been a very active group at Twin Lakes and are noted for their school services, especially during National Education Week.

Mrs. Miller is directly responsible for motivating young women to apply for positions as Girls' State delegates.

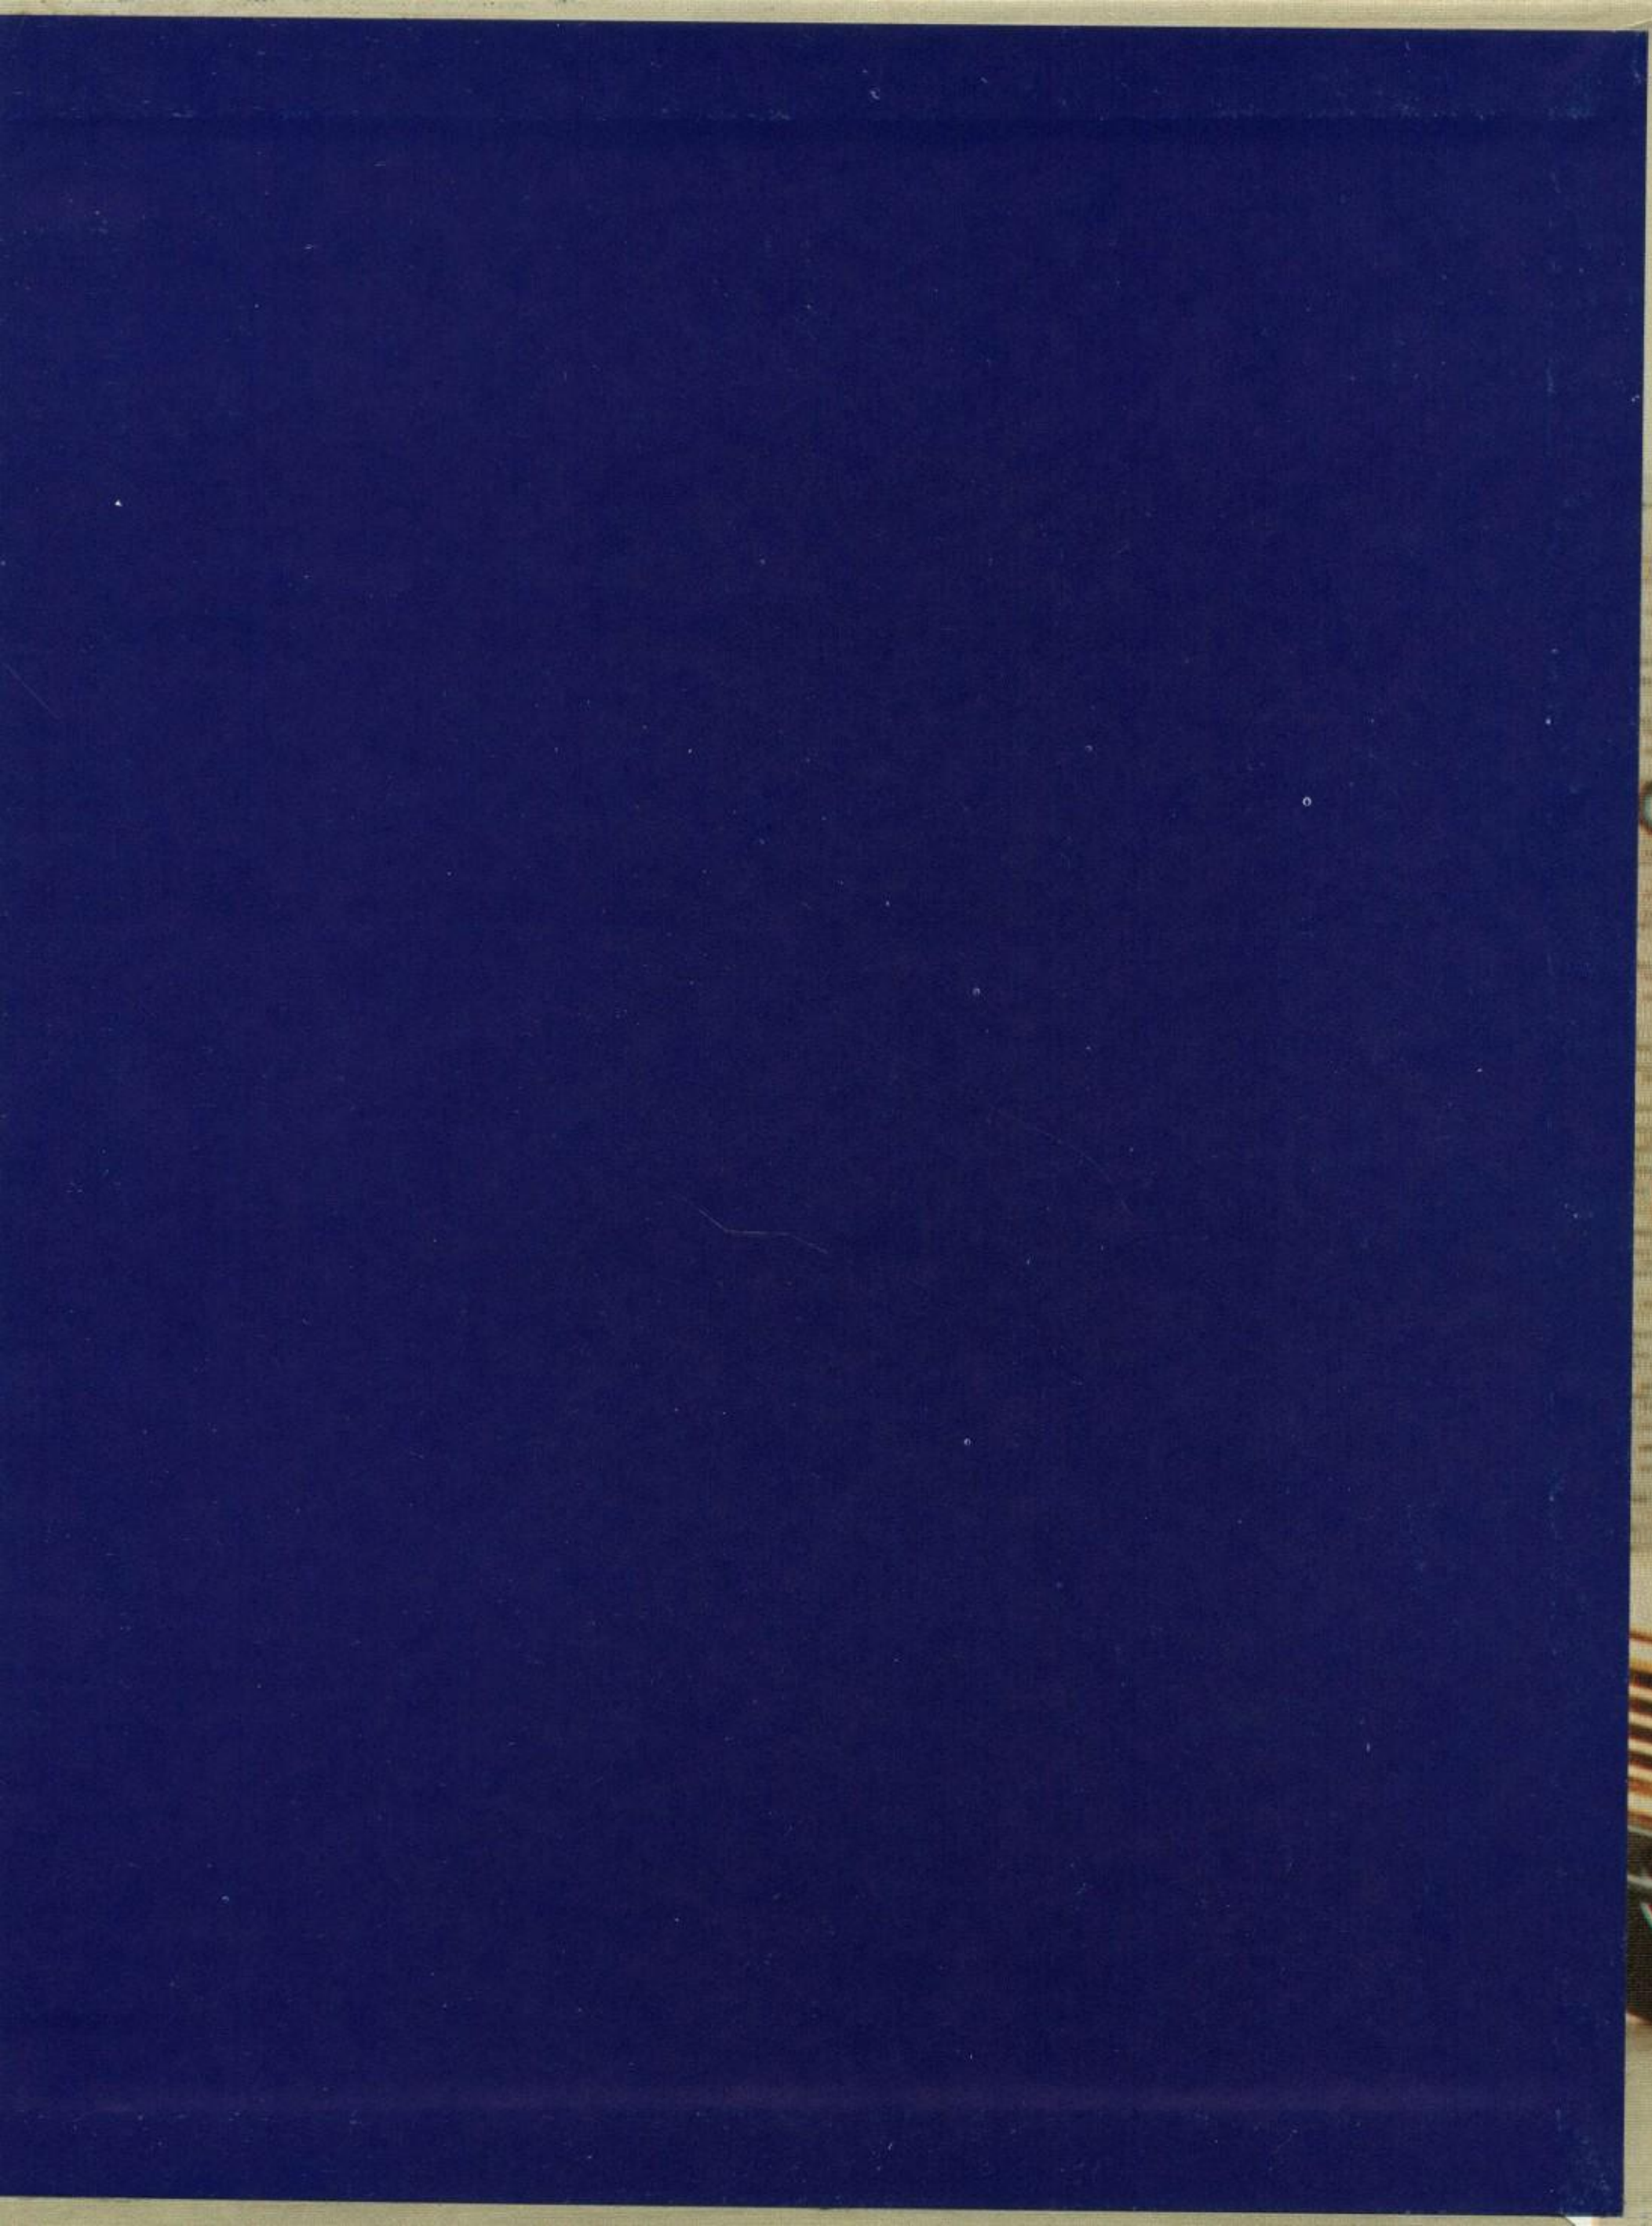

The sweetest phase of Mrs. Miller's career has been her role as Chairman of the Social Committee for Twin Lakes. In this capacity, she has whipped up many tasty treats for faculty meetings and other school functions.

In addition to her various roles in the school, Mrs. Miller is also active in the community. Among her credits are her twenty-five year chairmanship of the March of Dimes for Union Township and her title of BPW's Woman of the Year for 1971.

We've come a long way . . . with the help of the following people. Special thanks to Mr. Rod Rich, Dr. Robert Hanni, the School Board members, Mr. Larry Pinkerton, and Mr. James Chilton for their patience with the Yearbook Staff, Mr. Jerry Erb, Dave Brickey, Mr. Larry Utterback, Mr. Joel Storm, Mr. Don Leffler, Mr. Dennis Skelton, Mr. Fred Wagner, and the Monticello Daily Herald Journal for assisting us, Jari Teravainen, our exchange student, for taking and developing pictures for the Yearbook Staff, and Mrs. Sally McLaughlin for advising us. We would like to especially thank all of the students, faculty, and sponsors whose patience and financial efforts pulled us through. Once again the Yearbook Staff would like to express thanks to all of you who have helped us to reach our goal—the 1975 Tiogan.
